GETTING CARE

Why is having a primary care provider (PCP) important?

A primary care provider knows you and your medical history, giving them a better understanding of your overall wellness. Your PCP can be a physician, nurse practitioner or a physician assistant. If you are healthy, they can keep you on track at an annual visit and through screenings that can help detect or prevent serious conditions.

Selecting a PCP is also an important part of your care continuity. It's important to identify your PCP or contact us for help choosing one so you can get the most out of your healthcare.

How can I find a PCP?

To find a PCP, log in to [MyBlueKCMA.com](https://www.MyBlueKCMA.com) (click on **Find Care**) or visit [MedicareBlueKC.com/find-care](https://www.MedicareBlueKC.com/find-care) to search for network providers. If you need help finding a provider, want to change your current PCP, or would like a directory mailed to you, please call our Customer Service team.

What if my PCP is unavailable and I need care?

If your medical concern is not life threatening, but you're concerned and your provider isn't available, visit an urgent care clinic for common illnesses such as colds, flu, earaches, sore throats, migraines, fevers, and limited rashes, and for minor injuries such as sprains, back pain, cuts and burns, broken bones, or eye injuries. Generally, urgent care centers offer walk-in service and are often open before and after regular business hours, including weekends. In most cases, no appointment is necessary, but to ensure shorter wait times, appointments are recommended.

You can connect with a doctor 24/7 through our virtual care network at [BlueKCVirtualCare.com](https://www.BlueKCVirtualCare.com). You can also access Blue KC Virtual care on the member portal at [MyBlueKCMA.com](https://www.MyBlueKCMA.com). From your Dashboard, scroll down until you see **Find Virtual**

Care in the **Quicklinks and Tools** section.

How will I know if a procedure, service, or medication requires prior authorization?

Your provider will obtain prior authorization from Blue KC for any service that requires it, such as specific procedures, medications, or durable medical equipment. You can also refer to your Evidence of Coverage (EOC). Those services requiring Prior Authorization are noted in Chapter 4, Section 2.1 for your reference. For a list of Part D drugs that require prior authorization, refer to the formulary. The formulary can be found at [MyBlueKCMA.com](https://www.MyBlueKCMA.com) (go to **Resources** and click on **Formulary**).

Will my plan allow access to benefits while I am on vacation outside the service area?

All Blue Medicare Advantage PPO plans include the Blue National Network, which allows you to visit doctors, medical centers, and hospitals nationwide with an in-network cost share (copay or coinsurance). You are covered for services from any provider contracted with their local Blue Medicare Advantage plan. To see a list of national in-network providers, visit [provider.bcbs.com](https://www.provider.bcbs.com).

What about worldwide urgent, emergency and ambulance benefits while traveling?

Take peace of mind with you, wherever you go. All Blue Medicare Advantage plan members have coverage for urgent and emergency care and ambulance services while traveling anywhere in the world. To take advantage of this benefit, submit your proof of payment and the medical records information for your service while you were traveling outside the continental U.S. to the claims address on the back of your ID card. We will take care of any translation and transcription needs and will process your services up to the Medicare allowable amount and send you a check.

Frequently Asked Questions (FAQ)

WHAT TO EXPECT

When I receive a bill from my provider, do I pay it immediately or wait for my Explanation of Benefits (EOB)?

First, be sure your provider has your 2023 Blue Medicare Advantage insurance information from your member ID card. Then, wait until you receive an EOB from Blue Medicare Advantage. When you visit a doctor or hospital, they work with us to file a claim on your behalf. These claims are outlined on your EOB. It is your go-to reference for valuable information and will show you the patient responsibility portion you owe, if any.

What's included in my EOB and how often will I receive one?

You will receive two separate EOBs per month: a medical EOB and pharmacy EOB.

Your medical EOB will include all processed claims from the prior month as well as a claims total for all of 2023. It also shows how much you have paid toward your maximum out-of-pocket costs.

Your pharmacy EOB will include all processed claims from the prior month as well as a claims total for all of 2023. It also shows how much you have paid toward your true out-of-pocket costs.

What is the coverage gap (donut hole) for prescription drug plans?

Your Part D Prescription Drug Benefit consists of three phases: the initial coverage period, the coverage gap, and catastrophic coverage. The coverage gap is what some refer to as the "donut hole," a phase where you are responsible for a larger portion of prescription drug costs until the catastrophic coverage phase has been reached.

The coverage gap phase begins after you have spent \$4,660 on covered drugs. During this phase, you will need to pay 25% of the cost of generic and brand-name drugs, until the total amount you have paid for covered drugs in 2023 reaches \$7,400. At

that time, the catastrophic coverage phase begins. You pay the greater of \$4.15 copay for generic (including brand drugs treated as generic) and a \$10.35 copay for all other drugs, or 5% of the cost. To keep track of your coverage gap status, refer to your monthly pharmacy (Part D) EOB.

How can I avoid the coverage gap (donut hole)?

The main way to avoid the coverage gap is to keep your prescription drug costs low, so you don't reach the annual coverage gap threshold. To do so, you can ask for generic medications whenever possible, order prescriptions by mail, and compare pharmacy costs.

For assistance, call our Customer Service team or log in to [MyBlueKCMA.com](https://www.MyBlueKCMA.com) and view your EOC in the **Plan Benefits** section.
