WHAT IS MEDICARE SUPPLEMENT

MEDICARE SUPPLEMENT INSURANCE - MEDIGAP

Medicare Supplement insurance helps pay for some out-of-pocket costs not covered by Original Medicare Part A and Part B.

If you are enrolled in Medicare Part A and Part B, a Medicare Supplement plan (Medigap) can help fill the gaps. Medicare Supplement plans are designed to assist you with out-of-pocket costs from deductibles, copays and coinsurance which are not covered by Part A or Part B. A Medicare Supplement policy covers only one person so spouses must buy separate policies. Medigap plans are sold in 10 standard plans plus two high-deductible plans, each with their own set of unique benefits. Of these 10, we currently offer seven that best suit the needs of the members we serve.

All Medicare Supplement plans require you to continue to pay your Part B premium and a separate premium for the Medigap coverage. Once you enroll and continue to pay your premium, your plan will renew each year.

We're here to help you find the plan that best fits your needs! Let's get started!

BASIC BENEFITS

Hospitalization

Part A coinsurance plus coverage for 365 additional days after Medicare benefits end. Plans K and L require insureds to pay a portion of the Part A deductible.

Medical Expenses

Part B coinsurance (generally 20 percent of Medicare-approved expenses) or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or copayments.

Blood

First three pints of blood each year. Plans K and L may require members to pay a portion of blood costs.

Hospice

Part A hospice care coinsurance or copayment. Plans K and L may require members to pay a portion of Part A hospice care coinsurance or copayments.

¹ Plans F and G also have a high deductible option, which require first paying a plan deductible of \$2,800 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. These high deductible options are not offered by MVLH.

High deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

² Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³ Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

Plan A

For basic coverage at the lowest premium, choose Plan A. You'll be responsible for paying your Part A deductible and Part B deductible. The plan will pay the coinsurance thereafter, including hospitalization for 365 days after Medicare coverage ceases. After Medicare pays 80%, this plan pays the remaining 20% of the Part B coinsurance.

Plan G

You'll be entitled to all the coverage of Plan F, except you will be responsible for paying your Part B deductible.

High Deductible Plan G

You'll be entitled to all the coverage of Plan G, once you satisfy the up-front deductible amount.

Plan K and L

Plans cover a portion of the covered Medicare benefits until you reach your yearly out-of-pocket limit, after which the plan pays 100% of approved costs.

Plan N

You'll be entitled to all the coverage of Plan D, except you will be subject to up to a \$20 copayment for office visits and up to a \$50 copayment for emergency services.

Plan F

If you were eligible for Medicare on or before January 1, 2020, you may select Plan F. You'll be entitled to all the coverage of Plan C, plus 100 percent of Medicare Part B excess charges.

MEDICARE SUPPLEMENT BENEFITS FOR MISSOURI RESIDENTS

DISCLOSURES

This outline shows benefits and premiums of policies sold for effective dates on or after January 1, 2024. Policies sold for effective dates prior to January 1, 2024 may have different benefits and/or premiums.

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

RIGHT TO RETURN POLICY

If you find that you are not satisfied with your policy, you may return it to MVLH, P.O. Box 419071, Kansas City, Missouri 64141-6071. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

RENEWAL CONDITIONS

You may renew this policy as long as you live by paying the premium on time. We cannot cancel or refuse to renew your policy, or place any restrictions on it, other than for non-payment or for fraudulent misstatements made by you in your application for the policy. The ability to move from one product to another may be restricted.

CANCELLATION BY INSURED

You may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt of such notice or on such late date as may be specified in such notice. In the event of cancellation or death of the insured, the insurer will promptly return the unearned portion of any premium paid. The earned premium shall be computed on a pro-rata basis. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation.

RIGHT TO CHANGE PREMIUM

Your benefits are designed to cover cost-sharing amounts under Medicare. These benefits will be changed automatically to coincide with any changes in the applicable Medicare deductible and coinsurance amounts. In addition, premiums may be modified annually by providing you with at least 30 days notice. The notice may be provided via contract rider or some other appropriate means and will be mailed to you at the address which appears on our records. If you continue payment of premium after notice has been provided, it is agreed that such change is acceptable to you.

NOTICE

This policy may not fully cover all of your medical costs.

MVLH IS NOT CONNECTED WITH MEDICARE

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office at 1-800-772-1213 or consult The Medicare Handbook, available online at www.Medicare.gov for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and complete all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

EXCLUSIONS FOR MISSOURI RESIDENTS

We will not make payment for:

1. Services to the extent that Medicare will pay for them.
2. Any service or item for which benefit payment is not available under the provisions of Part A or Part B of Medicare, except for skilled nursing facility benefits, unless specifically covered as a benefit of this contract.
3. Any service or item excluded by Part A or Part B of Medicare.
4. Any charge which exceeds an amount recognized as reasonable by Medicare.
5. Services to the extent they are obtained without cost to you from any federal, state, municipal or other governmental body or agency.
6. Services for injuries or diseases related to your job to the extent you are covered or are required to be covered by a workers' compensation law. If you enter into a settlement giving up your right to recover future medical benefits under a workers' compensation law, we will not pay for those medical services that would have been payable except for that settlement.
7. For services or supplies received from any provider in a country where the terms of any sanction, embargo, boycott, executive order or other legislative or regulatory action taken by the Congress, President or an administrative agency of the United States would prohibit payment or reimbursement by MVLH for such services.
